REPORT OF SUPERINTENDENT OF SCHOOLS

COMMON SCHOOLS

Resources

Voted and raised	\$7,500.00	
State school fund	3,666.59	
State of Maine tuition	359.07	
Railroad and telegraph tax	224.76	
Interest on local school fund	50.00	
Equalization fund	459.00	
Sale of coal, J. A. Bagnell	29.30	
		<hr/>
		\$12,288.72
Total expended		11,293.93
		<hr/>

Unexpended balance \$994.79

This large balance is due partly to the fact that this year's wood, usually paid for before town meeting has not been delivered. This will probably bring two year's wood bills into next year.

Expenditures

Teachers:

*To the Superintending School Committee and Citizens of
the Town of Greenville:*

I herewith submit my annual report as Superintendent of Schools. The past year has been on the whole a satisfactory one, the changes in our teaching force have been very few, one in the grades and one in the high school

All of our teachers are either college or normal school graduates and are qualified by their training to do effective work. Individual differences always exist, however, as among any class of people.

The plan of work in the grades has been the same since 1918 when a State course of study was prepared under the direction of the State Commissioner of Education, and its use required in all elementary schools.

In the high school two additions have been made to the curriculum, a course in the study of the Constitution of the United States required of all students in connection with their English work, and a course in Economics for upper classmen. Both of these appear to be popular as well as very practical. The commercial course still holds its popularity while the classical course is losing ground. This makes the per capita cost of instruction in classical courses especially Latin very high. It is possible that Latin may follow the example of Greek and disappear from Maine high schools during the next few years but under present conditions the standing of our school would suffer were we to decline to offer Latin. It is gratifying to note that an increasingly large number of our graduates are attending institutions of higher learning, our representation at present being as follows: University of Maine, 7; Boston University, 1; Northeastern University, 1; Farmington State Normal School, 4; Eastern State Normal School, 2; Gorham State Normal School, 2. Besides these several are in training for the profession of nursing in one or another of the large hospitals.

One of the most serious problems that confronts us at present is the fact that many of our pupils enter school too young to cover the work of the elementary school system

satisfactorily in eight years. At the time the age of admission was set at five years by law, nine or ten grades were the usual thing. I believe, however, that any child of average ability can do the work outlined in the State Course of Study in eight years provided he does not enter school at too early an age. Parents who insist on sending children at the minimum age allowed by law should not be disappointed if it is necessary for such children to repeat a grade sometime during their course, as often the best interests of the children are served by so doing. A kindergarten would be excellent for young children, but would be more expensive and probably not as practical as the addition of a sub-primary grade. A law raising the minimum school age to six or seven years would be nearly as effective and much less expensive.

REPAIRS, ETC.

Owing to the fact that we were unfortunate as to have a fire in the high school laboratory May 6, which entirely destroyed the physical and chemical equipment besides doing considerable damage to the building, our repair and supply bills have been very heavy, though the sum of \$1,693.31 received from the insurance companies was as fair an adjustment as could have been expected. A brief summary of major repairs is as follows: High school, all rooms and corridors painted throughout, considerable replacement of plaster in laboratory and English room, new cabinet for laboratory, floors repaired where burned, new door for third floor fire escape, foundation of building painted. Junction Primary: new heavy gauge metal roof, building painted outside, furnaces overhauled and repaired. Village Primary: building painted inside and out. Our

school buildings are now in excellent condition with the exception of the high school roof which leaks badly under certain weather conditions. A large number of text books were badly damaged by careless handling at the time of the fire, which has made the expense for text books unusually heavy.

ESTIMATES FOR NEXT YEAR, ETC.

So far as we can tell at present the general operating expenses are likely to be about the same as this year. We shall have more insurance premiums coming due, and fewer repairs to make, the high school roof being the only large repair job that needs to be considered at this time.

According to the usual custom all recommendations for appropriations have been submitted to the budget committee for their consideration and approval.

Respectfully submitted,

RUSSELL S. TAYLOR,

Superintendent of Schools.

MRS. S. P. YOUNG,

C. F. WOODARD,

E. L. DEAN,

Superintending School Committee.

HIGH SCHOOL PRINCIPAL'S REPORT

Citizens of Greenville:

Greenville high school opened September 15th with an enrollment of 105 students. Several more registered during the fall term, and other have dropped out for various reasons, until now we have a total of 102 as follows:

Senior class	14 boys and 15 girls	
Junior class	6 boys and 13 girls	
Sophomore class	16 boys and 14 girls	
Freshman class	15 boys and 9 girls	
		—
Total	51	51

The present senior class is the largest in the history of the school. But a large eighth grade assures us of a good big entering class next year.

Our school day has been lengthened by fifteen minutes, to allow a more equitable division of the day into eight periods. This extra time in the course of a school year amounts to 7.4 school days.

Now that a Parent-Teacher Association has been formed, we hope the people of Greenville will take a keener interest in school affairs, help us keep the boys and girls in school and strive in every way to make our schools better and

more attractive. We need more play room. We have over 100 students up stairs, and more than 150 below in the grades, and the only place for them to play is in front of the building. It is impossible to keep them out of the street and of the consequent danger of passing automobiles. A convenient and roomy playground is one of the greatest needs of Greenville High School today.

Respectfully submitted,

JOHN A. BAGNELL,

Principal.

REPORT OF GREENVILLE FREE PUBLIC LIBRARY

To the Citizens of the Town of Greenville:

We submit herewith a report of the library's activities for the past year, which has been an average year as regards the circulation of books.

Number of daily sessions books were issued.....	100
Number of books issued during year.....	10,655
Largest number issued in any one day.....	232
Average number issued daily	106
Number of patrons cards issued this year.....	90
Total number of patrons cards issued.....	4,040
Volumes added this year by purchase.....	122
Volumes added this year by gifts.....	113
Volumes added this year from State.....	4
Volumes catalogued to date	3,553
Volumes withdrawn this year	42
Total number volumes in library.....	4,025

Our friends have been very generous with gifts of books during the past year, which total 113 volumes and we express herewith our sincere thanks and appreciation for such kindnesses. The change of ownership of the Shaw block has resulted in an increase of our rent of thirty-six dollars which will restrict our purchase of books to just that extent.

The Library suffered a severe loss in the death of Miss

Elmie J. Briggs, one of our Board of Trustees, in December. One of the original board as chosen by the town, when the library was changed to the Greenville Free Public Library, she has been of great help in directing the policies of the library. For all these years she has served as secretary of the board and for several years she has performed the additional duties of treasurer. We shall miss her help and assistance, of which she gave generously. We have elected to fill the vacancy, Miss Mary F. Scammon, who will, we believe, be a helpful member of the board. Inasmuch as our election of Miss Scammon was for the period ending Town Meeting day, we request that you endorse our selection by electing her as a Library Trustee to serve until 1927.

Mr. Hall's term as a member of the board expires this year. He also is one of the original board as chosen by the town and has contributed much to the management of the library's affairs. We request his re-election for the usual five-year term.

TOWN WARRANT

State of Maine

Piscataquis, ss.

To Adelbert G. Rogers, a constable in the Town of Greenville, in said County,

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Greenville, qualified by law to vote in town affairs, to assemble at Shaw's Hall, in said Town, on Monday, the twenty-third day of March, 1925, at ten o'clock in the forenoon, to act on the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk.

Art. 3. To see if the Town will vote to accept the reports of the town officers.

Art. 4. To choose one woman member of the Municipal Board of Mothers' Aid for a three-year term.

Art. 5. To choose Selectmen, Assessors, and Overseers of the Poor.

Art. 6. To choose a Town Treasurer.

Art. 7. To choose one or more members of the School Committee.

Art. 8. To choose a Collector of Taxes, vote his compensation, and determine at what time he shall make his final settlement with the Town.

Art. 9. To choose one or more Fire Wards and to designate one of the Fire Wards as Fire Inspector.

Art. 10. To choose a Trustee of the Board of Trustees of the Free Public Library for a term of five years.

Art. 11. To choose an Auditor of Accounts, and all other necessary and usual town officers, or to instruct the Selectmen to appoint them.

Art. 12. To see if the Town will vote to allow a certain per cent of discount on all taxes paid in full to the Collector on or before certain periods, for taxes assessed for the current year, or to charge interest on the same after certain periods.

Art. 13. To see if the Town will authorize the Selectmen and Treasurer to make temporary loans to pay current expenses of the Town until sufficient taxes are collected and paid in.

Art. 43. To see if the Town will vote to raise money to pay for installing and maintaining one light in a Silent Policeman Blinker Light, so-called, providing one is installed at no expense to the town, at the intersection of West and Main Streets.

Art. 44. To see if the Town will vote to raise money and pay for two additional Street Lights already installed in the village square in front of the Union Church and Town Hall.

Art. 45. To see what action the Town will vote on the repair of the Wiggin Brook Bridge.

Art. 46. To see if the Town will vote to raise a sum of money to provide for the services of a Public Health nurse, or take any action thereon.

Art. 47. To see if the Town will vote to place an additional light at the corner of Lincoln and Shaw Streets.

Art. 48. To see if the Town will vote to place an additional light at the end of Wiggin Street.

Art. 49. To see if the Town will vote to place an additional light at the end of Birch Street.

Art. 50. To see if the Town will vote to adopt the Curfew Ordinance, and what sum of money for its enforcement they will vote to raise.

Art. 51. To see what action the Town will vote to take in regard to a manhole at the corner of West and Birch Streets.

Art. 52. To see what sum the Town will vote to raise and appropriate for advertising our natural resources, advantages and attractions, under the provisions of Chapter 4, Section 59 of the Revised Statutes of Maine, the same to be expended by the Maine Development Association.

Art. 53. To transact any other business that may properly come before this meeting, and to raise any other sums of money for Town purposes that may be proper and necessary.

The Selectmen give notice that they will be in session for the purpose of revising and correcting the list of voters at Shaw's Hall in said Town, at nine o'clock in the forenoon on the day of said meeting.

Given under our hands at Greenville, this twelfth day of March, A. D. 1925.

HARRY I. ROLLINS,

ALICE M. BIGNEY,

ELMER B. CROWLEY,

Selectmen of Greenville.
